

CONSERVATION HIGHLIGHTS IN POWELL TOWNSHIP

- Residents are utilizing our Annual Tree & Native Plant sales for their native wildflowers, trees and shrubs
- Provided Citizens for a Safe & Clean Lake Superior with hundreds of native wildflower plugs for their Big Bay pathway trailhead native plant garden
- Powell Twp School Pollinator Garden - MCCD staff gave 2 educational pollinator lessons to the students, and donated plants for their very own pollinator garden!

Lake 2 Lake CISMA

- Ongoing garlic mustard management
- Other NNIS surveys
- Participated in Bay Cliff Science Camp
- Participated in YDWP Bioblitz @ the Yellowdog Community Forest
- Aquatic Invasive Species boat launch events at Perkins Park

District Forester

- Working with 10 Powell Twp landowners totaling ~400 acres of forest and wildlife management
- In 2021 our office received DNR Deer Habitat Grant funding that included about ~\$10,000 of habitat work being done on Commercial Forest land (trail and wildlife opening creation, trail seeding, and native tree and shrub planting).

OUR GOAL IS ALWAYS TO CHOOSE PROJECTS THAT BENEFIT BOTH THE COMMUNITY AND THE ENVIRONMENT!

- COMMUNITY & SCHOOL POLLINATOR PLANTINGS
- ENVIRONMENTAL EDUCATION
- COMMUNITY RESTORATION PROJECTS
- ON-SITE TREE HEALTH EVALUATIONS & PLANTING RECOMMENDATIONS
- COMMUNITY EVENTS & WORKSHOPS
- VOLUNTEER STREAM MONITORING PROGRAM
- SECURING GRANT FUNDING FOR CONSERVATION RELATED PROJECTS
 - CULVERT REPLACEMENTS
 - INVASIVE SPECIES MANAGEMENT
 - SCRAP TIRE CLEAN-UP
 - HABITAT IMPROVEMENT
