## GOVERNING POLICIES POWELL TOWNSHIP, MICHIGAN

TITLE

### Submission of Grant Applications to Private or Governmental Foundations and Agencies

The government of Powell Township Michigan hereby establishes the following policy with respect to the submission of grant applications seeking financial support from any/all government and/or private foundations and agencies for any/all approved Township projects:

#### POLICY STATEMENT

**All private citizens and/or individuals associated with the Powell Township government must inform the Township Board of the intent to submit a grant application for extramural funding to support approved township projects.**

#### POLICY PURPOSE

The policy is written to encourage the use extramural funding as a means of achieving stated Township goals while effectively managing Township resources.

#### DEFINITIONS

**Individuals Associated with Powell Township Government** – township employees, or individuals who have been elected to Township office or appointed to a standing or ad hoc Township Department, Commission, or Committee.

**Extramural Funding** – funding obtained from various outside (non-Powell Township) private or governmental foundations and agencies.

**Approved Township Project** – any project or plan that has received initial approval from the appropriate Township Department, Commission, or Committee and final approval from the Township Board.

**Stated Township Goal** – goal or aim that has been set forth in the Township long-range plan.
