### Underpayment of Property Tax Bills Policy

The government of Powell Township hereby establishes the following policy with respect to underpayment of property taxes.

**Policy Statement:**

Any property tax payment that is underpaid the billed amount by one (1) dollar or less shall not be billed to the tax payer.

**Policy Purpose:**

Due to the fact that sending an updated bill would cost Powell Township government more to generate that bill than to dismiss payment, a new bill will not be issued. This is a means to effectively manage Powell Township financial resources.
