ADDENDUM TO SCOPE OF WORK: Transfer Station Demolition

Effective Date: 3/31/2026

Original Document: Detailed Scope of Work – Transfer Station Surgical Demolition

The following items are hereby added to **Section I. Detailed Scope of Work** as Owner Responsibilities:

- **11. Demolition Permits:** The Township shall be 100% responsible for acquiring and paying for the **Marquette County Demolition Permit**. The Township will provide the Contractor with a physical or digital copy of the approved permit prior to the mobilization of heavy machinery.
- **12. Environmental Testing (EGLE):** The Township shall be responsible for contracting an accredited inspector to perform all required **asbestos and lead-based paint testing**. A copy of the certified "clean" report or the abatement plan must be provided to the Contractor before work begins.
- **13. EGLE NESHAP Notification:** The Township will submit the required **10-day Notice of Intent to Demolish** to the Michigan Department of Environment, Great Lakes, and Energy (EGLE). The Contractor shall not begin structural teardown until the mandatory 10-business-day waiting period has elapsed.
- **14. Integration:** All other terms of the original Scope of Work, including "Surgical Demolition" precautions and "Material Handling" exclusions, remain unchanged and in full effect.
