## **ADDENDUM #3 TO SCOPE OF WORK: ELECTRICAL DISCONNECTION**

**Effective Date:** April 2, 2026

**Original Document:** Detailed Scope of Work – Transfer Station Surgical Demolition

The following item is hereby added to **Section II. Township (Owner) Responsibilities** to ensure site safety prior to the commencement of demolition:

- **19. Main Power Disconnection:** The Township shall be 100% responsible for the permanent or temporary disconnection of the existing main electrical service to the transfer station structure.
- **20. Verification of "Cold" Site:** The Township will ensure all primary lines are de-energized and "locked out" by the utility provider or a licensed electrician before the Contractor mobilizes heavy equipment.
- **21. Coordination with Temp Power:** While the Township is responsible for the main disconnect, the Contractor remains responsible (per Section I, Item 4) for providing and routing the code-compliant **temporary** electrical service to the indoor office building as needed for continued operation.
